

Infrastructure Subcommittee
Meeting Minutes
March 5, 2009

Meeting started at 7:30p.m. and was held in the first floor conference room at the Greenwood City Building.

Attending: Mark Richards
Ron Cran
Chris Gale
Tom Paten
Paul Tate
David Payne

Discussion was has of a more detailed look at the broad areas of study as outlined in the White River/Greenwood Reorganization Subcommittee Objectives.

Roads; do an assessment of what is available in the “new community”. Paul Tate and Tom Paten will work on this study.

A second area of study will be to determine if the “new community” will need a storm water utility. Mark Richards and Chris Gale will work on this study.

Ron will contact the county government to obtain any maps of the unincorporated area of the “new community” he can. Mark mentioned the Greenwood Fire Department did maps of the flooding in greenwood back in June and those should be available through our planning department. Not sure if White River Fire Department did similar maps.

David will contact GFD to get a copy of their maps.

Next meeting will be April 2, 2009 after the regularly scheduled Reorganization meeting at the Greenwood City Building.

Meeting adjourned at 8:05pm
